*Make
it
Wonderful*

Welcome To Franke World

Since it was founded in 1911 in Switzerland, Franke Group has come a long way.

From a stainless steel sink to a complete system of products for domestic kitchens. In just four generations, Franke has become a multinational company with 11,000 employees around the world.

Many things have changed in the past century, but what is always the same is a set of values. The values of innovations, entrepreneurship, quality and stylish design.

Franke Kitchen Systems

Franke Kitchen Systems is the world's leading provider of intelligent systems for domestic kitchens, trusted by more users in more kitchens worldwide than any other. Drawing on our long history of reliability, manufacturer and expertise, we build rewarding and enduring partnerships.

We help our partners enhance their businesses and ease their customers' lives by making work in the kitchen a pleasure.

System solutions in the wet area everything we offer to make cleaning, preparation, water filtration, washing-up and waste disposal easy, hygienic and environmentally sound.

System solutions in the cooking and cooling area everything we offer to make cooking, simmering, ventilation and cooling easy, hygienic and environmentally sound.

Our product range includes sinks, taps, waste management systems, ventilation hoods and cooking appliances.

Index

Sink Stainless Steel & Faragranit

SINK STYLE OPTIONS

 **Inset:** The frame of an inset sink sits on top of the worksurface.

Compatible with any worksurface, including laminate worktops.

 **Undermount:** An undermount sink is installed underneath the worktop, only compatible with solid surface worktops such as granite or solid wood.

 **Belfast:** Belfast sinks are installed either 'dropped-on' to a purpose built cabinet or by using installation brackets.

Ceramic sinks have been a popular choice for years and combine well with a variety of work surfaces such as wood, glass and granite. Ceramic sinks have a smooth, impervious surface, which is resistant to all standard household chemicals. It's a very hardwearing choice that stands up to heat, staining and impacts with ease.
